

## Summer Camp @ Tettenhall College Monday 30th July - Friday 3rd August 2018

Join us in the beautiful grounds of Tettenhall College's Pavillion, for a week of well-being focused activities.

Facilitated by highly skilled teachers and coaches, each day will offer a range of performing and creative arts, mindfulness activities, safe spaces to build and develop social, team building and life skills, nature walks, lawn games and information, advice and guidance from our mentors, which include SEN and Mental Health specialists. All of our team are fully insured, DBS checked and have completed Level 2 Safeguarding Qualifications.

The camp will run daily from 9:30am-4:30pm at £25 a day, with the option for early drop off or late pick up by prior arrangement for a small additional fee. There is a discount for siblings and full week sign ups. There is also the option for your child to complete a Youth Achievement Award for those completing a full weeks camp.
